

ClearView C

NEW & IMPROVED!

**Comfortably view documents, photos,
and other reading material with ease.**

*Simple and effective solutions for the
blind and visually impaired*

The new and improved **ClearView C** is a modern desktop video magnifier designed to improve your reading experience. The unique design provides you with more working space to read, enjoy crafts, or write with comfort and ease, without being restricted in movement.

Key benefits

- Continuous magnification from 1.3x to 75x (depending on model)
- Magnifies documents and photos and provides high contrast
- Unique and modern C-shaped design gives you more freedom of movement
- More working space to read larger documents easily
- Filtered lighting for even illumination and elimination of glare
- Easy-glide reading table with X and Y directional brake and adjustable friction
- Space-saving compact or wide comfort set-up
- Customizable, high-contrast document viewing modes
- Easy to see and find high-contrast buttons
- High definition camera for superior image quality
- Wireless Bluetooth LE Remote Control
